

Our fulfillment services are tailored to your needs, powered by quality-driven workflows that ensure your materials reach their final destination safely, accurately, and right on time. What sets us apart is our unwavering commitment to excellence and our ability to adapt to your unique requirements.

**With us, you gain a partner who is dedicated to your success.**

### Trust us to get it right:

Fulfillment services, whether **B2B** or **B2C**, can significantly enhance a business's ability to serve its customers and manage operations effectively. Fulfillment services are solutions that help you drive additional revenue and value, by producing, storing, collating and ultimately shipping your products to your customers. By partnering with **i6**, you can streamline your logistics, reduce costs, and ensure high customer satisfaction.

### Storage & Inventory Management:

At **i6**, we don't just store your event and promotional materials; we safeguard your brand's assets with the utmost care. Imagine having all your branded promotional items and retail signage securely housed in our state-of-the-art in-house warehousing facility. With **i6**, your materials are always within reach, ready to support your marketing efforts at a moment's notice. Our flexible storage solutions ensure that your marketing strategy is as dynamic and responsive as your business needs. Trust **i6** to keep your marketing materials safe, accessible, and ready to make an impact.

### Order Processing:

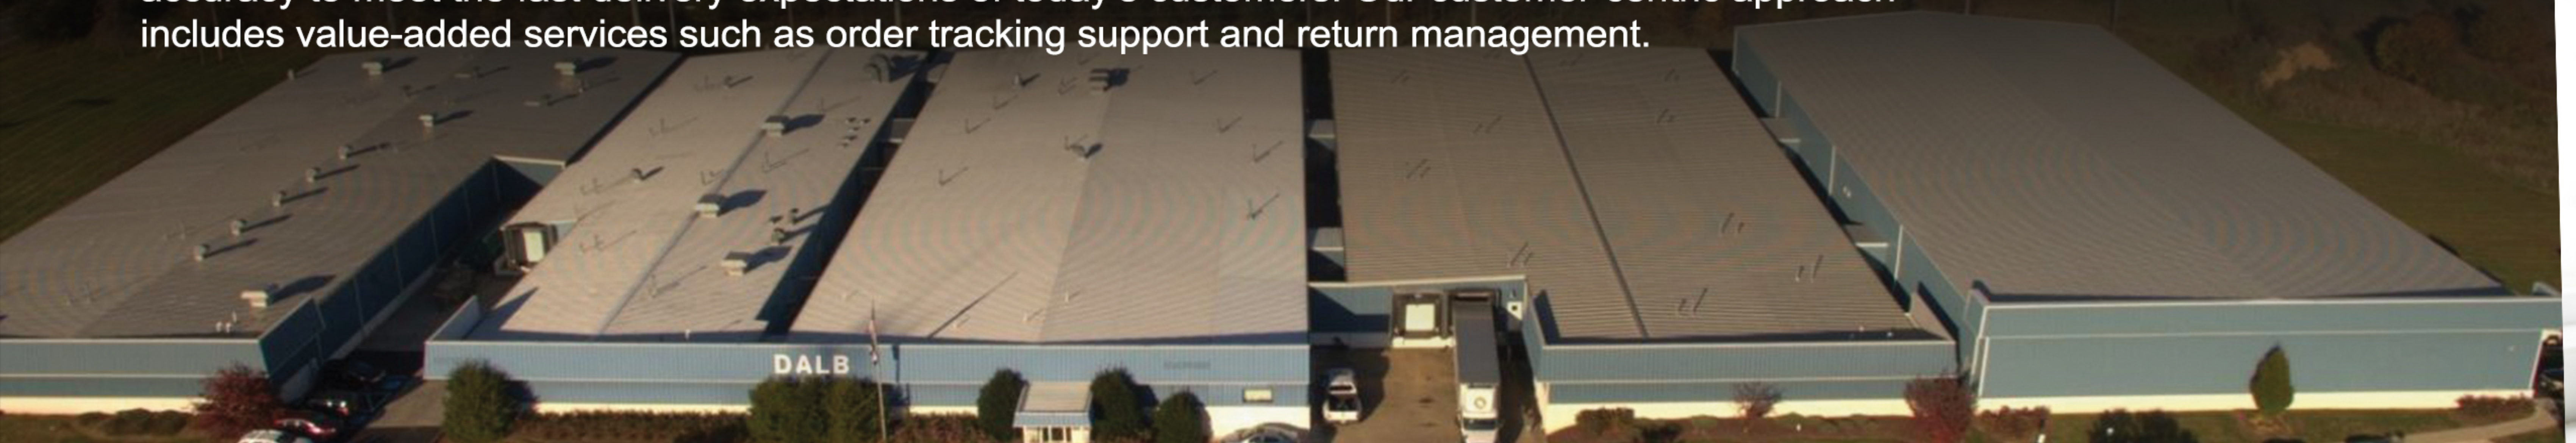

At **i6**, we believe that order processing is more than just a standard service; it's a powerful opportunity to elevate your brand. When you require efficient handling and dispatch of complex orders, our experienced fulfillment team is here to ensure every detail is managed with care. We recognize that each order matters, and our commitment is to enhance your effectiveness and productivity, delivering the high-quality service your business deserves.

### B2B Fulfillment:

Partnering with **i6** for B2B fulfillment offers several advantages, including our expertise in handling large bulk orders, which ensures that your products are stored and packaged efficiently and safely. Our advanced logistics capabilities enable us to manage complex distribution needs, ensuring fast turnaround times for your shipments. With a focus on customized solutions, we can tailor our services to meet your specific requirements, such as specialized labeling and packaging. Additionally, our state-of-the-art technology infrastructure allows for seamless order processing and real-time inventory management, enhancing your operational efficiency and providing you with greater visibility into your supply chain.

### B2C Fulfillment:

At **i6**, we offer comprehensive B2C fulfillment services designed to efficiently deliver products directly to your end consumers. Our solutions cater to smaller orders, ensuring quick processing and exceptional accuracy to meet the fast delivery expectations of today's customers. Our customer-centric approach includes value-added services such as order tracking support and return management.

# Unlock Your Business Potential with Our Fulfillment Solutions!

## BENEFITS

- **Scalability:** Fulfillment services can scale with your business, handling increased order volume during peak seasons or as the business grows.
- **Time-Saving:** Outsourcing fulfillment allows customers to focus on core activities like marketing, product development, and customer engagement.
- **Cost-Efficiency:** Fulfillment services provide better shipping rates and warehousing options than businesses could secure on their own.
- **Improved Customer Experience:** With fast and reliable shipping, businesses can offer their customers a better overall experience, leading to higher satisfaction and repeat business.
- **One-Stop-Shop:** Customers can leverage more solutions with one provider; reducing their overall supply chain.

## ACTIVATIONS

- **Drop Shipping:** This fulfillment method allows you to forward the manufactured items from all your vendors directly to us, we then ship the product(s) to the end-user.
- **Custom Fulfillment:** Some customers require specialized services, such as personalized packaging, collating or kitting. our kitting crews ensure your finished products are precisely combined to your specifications and accurately shipped to your stores or individual customers.
- **Customer-Centric Services:** We provide value- added services like customer support for tracking orders, managing returns, and ensuring timely delivery.
