**INTERIOR SIGNAGE**

# INTERIOR SIGNAGE – POSTER SOLUTIONS

Our poster solutions range from 5 x 7 through to 36 x 24 across a range of papers from 60lb to 130lb, gloss, matte or textured substrates.

Our unique finishes and treatments include; mirror, rainbow, sparkle and swirl foils, 3D Lenticular and finishes that include; Glow in the Dark, Spot Gloss (UV) and much more.

GLOW IN THE DARK

## INTERIOR SIGNAGE – STANDEES

Craving instant impact and eye-popping color? Cutouts and standees transform ordinary spaces into attention magnets, adding bold dimension, vivid energy, and unmistakable presence.

Available in limitless shapes and sizes, they can stand tall on their own or mount seamlessly into your environment. The result: immersive, stop-you-in-your-tracks visuals that spark curiosity, draw crowds, and keep your brand front and center again and again.

## INTERIOR SIGNAGE – TABLE TENTS

Want a simple way to make a big impression? Table tents step up as compact powerhouses that welcome customers, spotlight your offers, and deliver must-know details, all with effortless setup and rock-solid stability. Perfect for promotions, menus, specials, and service highlights, they turn every tabletop into prime marketing real estate.

Add a QR code, and suddenly your table becomes a digital gateway, instantly connecting guests to menus, maps, websites, and more. Small footprint. Massive impact.

# INTERIOR SIGNAGE – FACILITY SIGNAGE

From safety signage to internal instructional/location signage, we produce all types and sizes of signage for your facility.

As a 3M Preferred Partner, we have access to all of 3Ms High Viz and Reflective materials, to ensure external and internal signage alike are noticeable even in low light situations.

Our materials available are suitable for any environment or situation, from 5-year fade resistant vinyls, to short term coroplast solutions, through to hardwearing materials like acrylic and polycarbonates.

Whatever your facility needs we have solutions that can work for you.

# INTERIOR SIGNAGE – ROOMWRAPS™

Our permanent, semi-permanent and removeable RoomWraps™ allows you to customize and brand doors, floors, walls and even ceiling in existing or temporary spaces easily.

Creating unique branded spaces when and where you need them for offices, events, press junkets or even your own conference and training rooms.

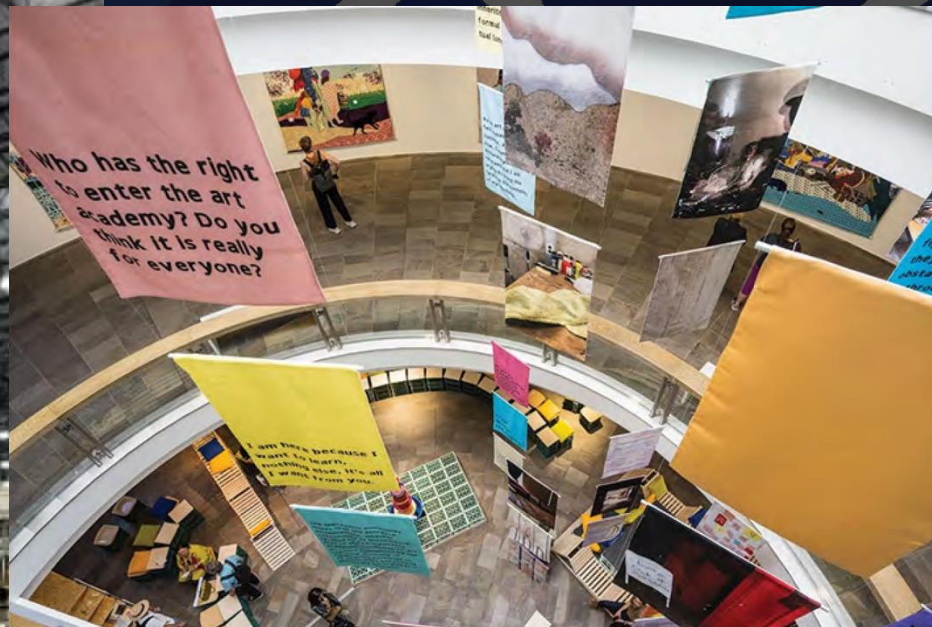

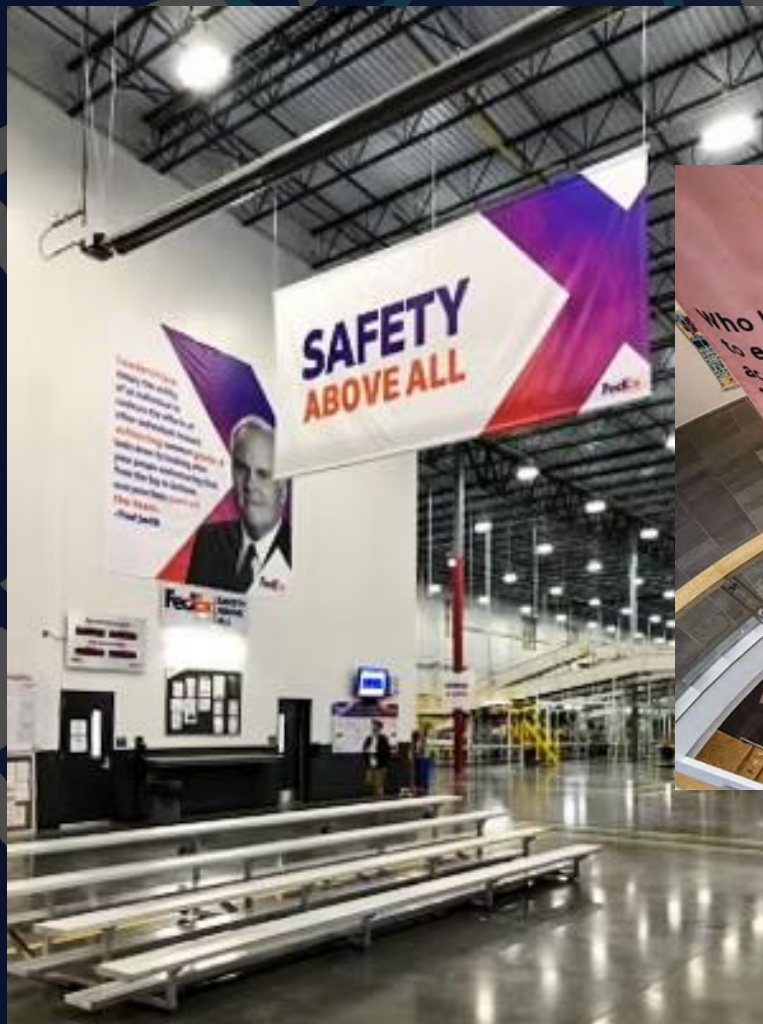

# INTERIOR SIGNAGE – POLE SIGNAGE

Our sturdy coroplast Pole and Column Signage are perfect for safety and security notices, wayfinding or even internal marketing.

Available in single, double, triple or quad sided they install easily and look great.

# INTERIOR SIGNAGE – BANNERS

Banners are a great way to inform, direct, or gain attention.

Banners are a cost-effective way to promote your message in a big way. Banners can be grommeted for easy hanging.

- Up to 60" wide by any length
- 13oz & 16oz banner stock
- Screen or digital UV printed

**EXTERIOR SIGNAGE**

# EXTERIOR SIGNAGE – A FRAME SIGNS

# EXTERIOR SIGNAGE – WINDOW DECALS

Window decals are an excellent way to enhance your brands impact, promote campaigns and programs. Catch the consumers eye before they even enter the store.

Whether large format or small format, DALB has a solution for your next campaign.

## EXTERIOR SIGNAGE – BOLLARD & POLE SIGNS

Our sturdy coroplast Pole, Column and Bollard Signage are perfect for safety and security notices, wayfinding or even internal marketing.

Available in single, double, triple or quad sided they install easily and look great.

## EXTERIOR SIGNAGE – PANAGRAPHS

For outdoor signage, store fronts, and canopys, DALB Panagraphics are a great way to decorate and represent your brand.

This product can be made to be backlit and/or opaque. Widely used in the convenience store and fueling station sign market. DALB can produce panagraphics for your next signage project. All of our panagraphics use premium 3M materials.

## EXTERIOR SIGNAGE – BANNERS

Banners are a great way to inform, direct, or gain attention.

Banners are a cost-effective way to promote your message in a big way. Banners can be grommeted for easy hanging.
