

A promotional image for KATSEYE's 'The Wild World Tour' VIP Collection. The background is a dark, teal-toned photograph of the six members of the group standing in a line, silhouetted against a bright light source. They are wearing dark, form-fitting outfits. In the foreground, there are various pieces of stage equipment, including a large black floor monitor on the left with a 'RETIE' logo, and other smaller monitors and cables. The overall mood is mysterious and high-energy.
